NOVEMBER 10, 1889. O ROANOKE.

through mpany's extenmore than 1,000 different labor out cars and locoto the rolling mill he canning factory nace. You will then rstand to a certain extent causes that have led to wonderful growth in the past and become convinced that

great future ahead of it. also learn that the town's not a fictitious one as are of so many new towns. If you are not familiar with works in on some of the things you see will be both a profit and a revelation to you. The manufacture of pig iron from the ore is an interesting sight. From the time it is blown in, unless compelled to shut

aliquid iron to be cooled into solid

There are numerous other industries in different sections of the town, and a ride of a half an hour or so will show you more new buildings in course of the late King Luis, of Portugal, was erection than in any other place in the country of its size.

The late King Luis, of Portugal, was New York exchange, draft or postal an inveterate smoker, consuming an order issued by all express companies, New York exchange, draft or postal an inveterate smoker, consuming an order. the country of its size.

Are you looking for a place for a profitable investment? You needu't go any further. You can find it right here. Wholesale houses of eliferent kinds to supply the trade of the large section of country of which Roanoke is bound to be the metropolis are needed. Factories in the manufacture of iron and other raw material can find no better loca tion, and if you want real estate, the erection of so many new buildings, if you buy judiciously, cannot fail to give you a handsome profit in due time.

If you are on your way to Florida to spend the winter, if you will invest a few hundred or a thousand or so dollars in this way, when you return you will discover that the prefits on your investment will more than meet the expenses of your entire family, even if you have lived like a prince. Look into it and see for yourself.

THE PENNSYLVANIA ROAD OF VA.

The Norfolk Public Ledger says: The information recently made public as to the purposes of the Norfolk and Western Railroad company, with reference to various extensions, double track, new terminals, etc., show that great as has been the value of that work of internal improvement to Vir- warranted. Made from very best maginia in the past, its future importance terial, by skilled workmen, and with will be many fold greater—that the devised for the purpose. road will do for Virginia and Norfolk devised for the purpose.
